APPLICATION  
for assistance

1. Applicant Exploration Ventures Limited  
Address 49 Moorgate, London EC2R 6BQ  
Telephone No. 01-606-1020  
Contact Mr. R.B. Riley or Mr. M.J. Lynch
  
2. Project title Slains
  
3. Applicants' organisation & financial structure  
Please see this Company's letter dated 6th August, 1971.
  
4. Outline of proposed project, including geological considerations (see plan attached)  
The reconnaissance to date shows this to be mostly underlain by Dalradian metamorphics, with two major ENE trending magnetic lineaments or dykes (?) cutting across the area. Further reconnaissance is planned. The minerals sought in this area are Ni, Cu sulphides and any associated minerals.
  
5. Work programme and costs of project  
A continuation of the reconnaissance programme which will include geological mapping of the area to determine likely magnetic targets.
